| Institution of Public Character (IPC) Number: | IPC000210 |
| Charity Registration Number: | T07SS0102D |
| Unique Entity Number: | T07SS0102D |

Profile

Bishan Home was declared open by then Deputy Prime Minister Lee Hsien Loong on 25th September 1999 and started operations the following month. The Home is a joint effort between the Ministry of Social and Family Development (MSF) and Bible-Presbyterian Welfare Services.

When Bishan Home first started, the Home was registered under the Bible Presbyterian Welfare Services umbrella. In 2007 the Home was registered as a separate Society and obtained Charity and Institution of Public Character (IPC) status in its own right. Bishan Home is also a member of the National Council of Social Services. From an initial population of slightly over 20 residents, the Home is now near full capacity of 126 residents. In addition to our residential program, the Home also runs a Day Activity Centre (DAC).

The Home introduced its DAC program in 1999 as a social service in response to appeals from desperate parents in the surrounding neighborhood for such a program. Initially, the program did not receive any government funding. It was only in 2005 that the Home applied to National Council of Social Services (NCSS) to fund both the DAC Program and its expansion. Expansion works to the DAC were completed in 2007 and as of 2023 the DAC has 22 clients.

About Us

OUR VISION

To make Bishan Home the Home of choice in providing outstanding holistic and compassionate Christian care in a conducive family environment that is reassuring and encouraging

OUR MISSION

To shower Christian love in a wholesome Christian environment to enable the intellectually disabled residents and Day Activity Centre clients in Bishan Home to receive compassionate Christian care and to lead a quality life to the maximum of their capabilities.

OUR QUALITY STATEMENT

Through continual improvement, Bishan Home strives to provide holistic care and to develop the life skills of our residents and Day Activity Centre clients in order for them to lead meaningful lives.

Chairman's Message

A SILVER JUBILEE: CELEBRATING OUR 25TH ANNIVERSARY

We celebrate our 25th anniversary this year. In celebrating this milestone, we look back to 25 years of serving the intellectually disabled community; 25 years of working with our many community and sector partners who have accompanied us on this journey. This moment also gives us an opportunity to pause, look and reflect, on those who have come with us on this journey.

I would like to thank the directors and staff of the Home for coming along with us on this journey. Many of our directors have been with the Home from the very beginning, providing a wealth of knowledge from their professional fields, as well as volunteering their time with the Home.

Our staff play a key role in the running of the Home; without them, the Home would not function. For our foreign staff who are away from their families, I salute your dedication and commitment in caring for the residents of the Home.

I would also like to recognise the contributions of our volunteers and community partners. Over the years, they have brought smiles and laughter to our residents through outings, visits and events held in the Home. Be they corporate partners, or students from neighbouring schools, each and every volunteer has made an impact on our residents' lives in a wonderful way.

Even as the Home celebrates its 25th anniversary, we continue to look forward to the future. A key objective for us is ensuring the Home is equipped with the correct skills and equipment to take care of an aging residential population.

Our residents are aging, and face a host of aging issues in addition to their intellectual disabilities. Family support is also waning as residents' caregivers age alongside their loved ones. To this end, we are looking to increase our collaboration with other organisations specialising in geriatric care, ensuring our staff have the relevant skills to take care of older residents. We are also looking at enhancing the Home's training programmes to ensure our residents remain as active and independent as possible. The Home's facilities will also be improved to ensure our residents stay in a safe environment.

It has been a long and fruitful journey for all of us, and I hope that with God's grace and guidance for the Home, we will celebrate many more anniversaries to come.

Nursing/Caregiving

Admissions and Discharges

- (a) Admission of residents for the year (ADH): 2
- (b) Admission of clients for the year (DAC): 1

- (a) Discharges for the year (ADH): 4+2 deceased
- (b) Discharges for the year (DAC): 2+1 deceased

COVID Vaccination

Staff and residents are fully vaccinated against COVID-19 virus. There are still sporadic cases of COVID-19 that are seen.

Staff are reminded to be vigilant when on overseas leave or in crowded places. They are encouraged to do ART if they are unwell with acute respiratory symptoms.

On-going Resident's Activities

(i) Craft Therapy / Social Gifting

Craft Therapy sessions are on-going and this activity empowers our residents to be “craft-entrepreneur from recipient to giver”. 15 selected residents participate in this program and they were taught and guided individually by volunteers to do craftwork, packing and displayed online for sale.

Craft Therapy session in progress. Our residents are being guided by volunteers.

Nursing/Caregiving

(ii) Fingers Play - Puppetry

Puppetry sessions are attended by 20 selected residents. The instructor teaches residents on how to manipulate a puppet to follow through a scene or story. Residents improve on their social interactive skills with the instructor via a puppet.

(iii) Flour Power – Basic Cooking Skills

Supported by CDC, Bishan Home collaborated with Flour Power to run basic cooking classes for residents. In the sessions, residents learn to prepare simple recipes and use of cooking equipment, supervised by instructors on-site.

(iv) Activities of Daily Living (ADL) Skills Training

In Skills Training, the clients and residents receive training on hand hygiene, practice good personal hygiene toileting habits. Clients and residents have assisted ambulation to encourage walking and more walking.

Flour Power session in progress.

One of the Daily Living Skills

Nursing/Caregiving

(v) Social Living Skills

In Social Living Skills, clients and residents are taught on basic skills in mingling with family members, volunteers and visitors. They are taught on safe socialization and basic safe management measures, to avoid hand-shaking and hugging to prevent/reduce any possible transmission of virus and bacteria.

Clients and residents are encouraged to bond with each other in a brotherly-sisterly manner. Those of high functioning abilities are taught to look out for one another, to buddy in activities like ambulation, interactive game sessions.

Our staff arrange outings for clients and residents to experience some calmness and see nature. The younger ones enjoyed walking on running tracks and the elderly ones do slow-walking exercises along Bishan Canal or to the estate playground.

Residents' Group Activity to promote bonding

Nursing/Caregiving

Staff Training

- (i) All direct caregiving and support staff are encouraged to attend the Standard First Aid + AED training course. This is to ensure that staff are equipped with the knowledge and confidence to handle any emergency situation.
- (ii) Selected staff are appointed to attend the Fire Safety Course. The Fire Safety Manager, Site Controllers and Response Team will be equipped to handle emergency situations which may require fire control, mass evacuation of residents, clients, staff and visitors to a safe site during a fire.
- (iii) Our in-house staff trainer held orientation sessions with the newly joined caregivers/nursing aides. Staff trainer also held on-the-job training for them, introducing them the Standard Operating Procedures in Operations. Newly joined staff will be briefed on the Minimum Standard of Care in an Adult Disability Home.

Staff were encouraged to attend Webinars and online training sessions to upgrade themselves. Webinars on Infection Control Measures, donning of PPE, Environment Cleaning are highly recommended.

Medical Care for Residents

- (i) Telemedicine clinic with IMH psychiatrists to manage the residents' behavioral issues and psychotic conditions.
- (ii) Video consultation with Polyclinic doctors to manage the residents' medical conditions.
- (iii) Phone consultation with specialist doctors in the hospital for residents' with stable medical or neurological conditions.
- (iv) Tele-consultation with GPs at clinics to help reduce exposure of residents into the community during the peak COVID period.
- (v) Tele-consultation and on-site visit by volunteer doctors to attend to residents with acute medical conditions, thereby receiving prompt medical treatment.

Nursing/Caregiving

Management of challenging behaviors of residents and clients

Amongst other behavior management measures, it is important to create a conducive, calm environment for them. With soothing music, this soothes their nerves and reduce their anxiety level.

Fun times and leisure for the residents and clients in the year

Residents remember the festive seasons and are always on the look out for the lion dance and big-head dolls during the Lunar New Year. They enjoy watching National Day Parade, complete with the National Anthem, uniformed contingents march, Red Lion parachutists freefalls, State flag flypast and colourful fireworks. Residents also look forward to Christmas as the Christmas Carols are ringing in the air, and Christmas trees are up and decked with ornaments.

A calm environment with soothing background music helps to promote good sleep for the residents

Christmas gathering

The neighborhoods are decorated with life-sized inflatable balloons, Christmas trees and lightings to liven up the Christmas spirits

Staff dressed up to celebrate CNY and entertain & cheer up the residents

Nursing/Caregiving

Residents cheering as they watch National Day Parade live on TV

Residents learnt to make “Tang Yuan” for Winter Solstice Festival, one of the important Asian festivals

As the economy turns endemic

Relaxation of Safe Management Measures

- Re-opening of the ADH by allowing visitors into the premises. Visitors have to follow visiting protocol, which they are encouraged to do ART before visiting and to defer the visit if unwell or had exposure to a recent COVID-19 case.
- Home leave for residents is resumed. However, the Home encourages short home leave period to reduce excessive exposure to the virus.
- Routine PCR swabbing for staff and residents/clients are no longer compulsory.
- ART swabbing is recommended for individuals who feel unwell with COVID or flu symptoms and is also close contacts of a COVID case.
- No strict zoning to be observed but encouraged to stay away from others if unwell.
- Social distancing is lifted.
- Vaccinated differentiated measures are no longer needed, unless the event is attended by at least 500 participants.
- Staff training can be held physically in the Home rather than online teaching.

Though many Safe Management Measures are stepped down, vigilance is still important.

- Staff are to continue to don masks in indoor settings and in settings whereby they need to interact with clients and residents.
- Environment and premises continue to keep the high standard in terms of cleanliness and odorless. To disinfect surfaces, especially high-touch areas.
- Residents who are COVID positive need to be isolated immediately and to remain in isolation room till they are tested negative or asymptomatic.
- Nursing care staff are to continue to don full PPE when rendering care to a COVID case.
- The Home and Centre continue to keep a healthy stockpile of personal protective equipment (PPE) to stay in readiness.

Social Work

Social work services during the COVID-19 pandemic period have undergone significant changes and adaptations to ensure the safety and well-being of our residents and DAC clients whom we served. It provided impetus for massive changes, adaptation and innovation. As such, we have embraced new technologies and strategies to maintain connections and support during a time of unprecedented global challenges. With the “New Normal”, the idea of communicating with clients’ virtually using video conferencing platforms and WhatsApp has since been normalized. Through this crisis, we learnt to find and value opportunities that arise out of challenges, and constantly seek better ways to help and support our residents/clients affected by this crisis.

1) VWOTS Transport Subsidies

The VWO Transport Subsidies aims to benefit PWDs attending our Day Activity Centre. Transport subsidies for 16 DAC clients were processed on a monthly basis.

2) CHAS / Merdeka Cards

CHAS cards help to ease part of the medical expenses incurred with medical follow-ups at GPs. To date, a total of 81 CHAS cards (blue and orange) has been successfully processed. 24 Merdeka Cards were also being issued to our residents here. Both these cards help families/caregivers to substantially cut down on medical expenses of our residents.

3) Medical Fee Exemption Card (MFEC)

Staff from Social Work Office also assisted families with Medical Fee Exemption Card (MFEC) applications. To date, we have a total of 105 residents with MFEC cards. 16 residents do not meet the criteria of MFEC application.

4) New referrals from SG Enable

SG Enable had clarified that our capacity for residential stands at 126 residents.

Social Work Team administered 3 new referrals for residential placement, out of which 2 were assessed to be suitable for admission. 1 of the new referral were withdrawn upon request from the family. 1 new referral was received for DAC placement, but the family decided on residential placement instead.

During this period, there were a total of 5 discharges cases from residential service and 2 discharge cases from our Day Activity service.

Social Work

5) Satisfaction Survey

A total of 124 residential satisfaction survey forms were sent out to all 124 residents' families/caregivers. We have received a total of 56 responses. The overall score of the whole survey is 4.45 which is between "Excellent" and "Good" range. Thus, the collated feedback indicated that our caregivers are generally satisfied with our service at BHID.

A total of 24 DAC satisfaction survey forms were sent out to all 24 DAC clients' families/caregivers. We had received a total of 22 responses. The overall score of the whole survey is 4.18 which is between "Excellent" and "Good" range. Thus, the collated feedback indicated that our caregivers are generally satisfied with our service at BHID.

6) Collaboration with James Cook University Psychology Clinic

Social Work Team collaborated with James Cook University Psychology Clinic to identify suitable DAC clients to conduct adult psychological assessments assessment of cognitive and adaptive functioning.

This collaboration provided the interns who are doing their JCU Masters in Clinical Psychology an opportunity to conduct adult psychological assessments, as part of their training, with our DAC clients. The interns were being supervised by their Clinical Psychologist.

A total of 3 DAC clients benefited from this collaboration. By assessing our client's cognitive strengths and weaknesses, our DAC staff can then develop appropriate interventions and support for these individuals.

7) Digitization with RICE Consultancy

During the FY 2022/2023, we successfully initiated a digital transformation by centralizing our records into a digital database. The beginning of this journey was challenging and demanding, involving the meticulous scanning and backup of our physical records.

Nonetheless, our dedication and determination ultimately yielded significant rewards, as we began to fully embrace the system and its benefits in our daily operations. This transition has undeniably elevated and enhanced our workflow.

In the long run, digitized information can be easily searched, sorted, and filtered, making it faster to find specific data or documents. This enhances efficiency and productivity of the Social Work Team.

Social Work

8) Voice/video calls support with families and volunteers

The efforts to connect family members, caregivers and residents through voice/video calls are crucial, especially during the Covid-19 pandemic period. With the “New Normal”, visitations are allowed based on the situation at our Home. The Social Work team continue to support as many family members/caregivers as possible via voice /video calls support. This initiative is especially important for elderly caregivers, who may face some challenges with in-person visitations.

These voice/video call sessions have indeed brought much joy and brightened up the residents’ days is a testament to the importance of maintaining social connections. The weekly video calls with the church volunteers not only provide a respite but also reminded the residents of the meaningful interactions they had before the pandemic.

The dedication and compassion of the church volunteers who continue to participate in these video call sessions are truly commendable. Their consistent commitment indeed makes a significant difference in the lives of our residents. Such initiatives reflect the strength of communities coming together to support one another during challenging times.

Our residents beaming with joy and laughter during video calls

Community Partnership

Community partnerships during the COVID-19 pandemic period have proven to be invaluable in addressing the myriad challenges that arose as a result of the crisis. These partnerships offer a range of benefits that help communities respond effectively and collaboratively to the unique demands of the situation.

The support from volunteers, donors, schools and corporations speaks volumes about the positive impact on Bishan Home has had over the years.

The fact that these volunteers and donors have become long-term supporters highlighted the mutual trust and shared commitment to enhancing the mental and emotional well-being of our residents and DAC clients. They are indeed the pillars that contribute significantly to the improved quality of life for those under our care.

The optimism for the future, with the prospect of Singapore becoming more COVID-resilient and easing restrictions, opens up opportunities to expand engagement and promote inclusivity for people with intellectual disabilities. This proactive approach aligns with the changing landscape and showcases your organization's commitment to fostering awareness and understanding in the wider community.

1) Collaboration with Zion Bishan BP Church (bi-monthly)

- Monthly Birthday Celebrations for caregiving staff.
- Buddy Video Calls Session - 5 residents.
- Catered meals for residents.
- Catered meals for caregiving staff.

Our heartfelt appreciation to Pastor Alby from Zion Bishan BP Church for approaching members from the different AGs to sponsor bi-monthly dinner for all our residents and caregiving staff. Acts of kindness like these not only provide nourishment but also foster a sense of community and care among everyone involved. Their support is a shining example of how communities can come together to create a more compassionate and connected world.

Community Partnership

2) Dog Therapy with Therapy Dogs Singapore (monthly)

Our residents and staff were extremely ecstatic to welcome volunteers and their lovely dogs back to Bishan Home this morning after such a long break due to COVID.

Special thanks to Beatrice from Therapy Dogs Singapore (TDS) for coordinating this session and Jennifer, Jessie and Jacqueline for making time to bring their dogs down to Bishan Home. Pet-assisted therapy not only bring joy to our residents but also aims to meet their physical and socio-emotional needs. Our residents, including staff always look forward to this monthly session with the lovely dogs!

Community Partnership

3) Fresh fruit juice for residents (monthly)

We were indeed very thankful to have this lovely group of sisters, Serene Ang, Jaslin Ang, Julia Ang, Ang Hong Eng and their sister-in-law Peggy Lim, to come by to prepare fresh fruit juice for all our residents. Our residents certainly need this vitamin boost. Acts of kindness like this can go a long way in brightening the days and improving the well-being of our residents.

The lovely and kind ladies hard at work in preparing fruit juice for our residents

4) Music activity with volunteers from AG75 Zion Bishan BP Church (Feb 2023)

Boisterous laughter and loud clapping filled the air as our residents engaged in a series of fun-filled activities held by members from AG 75 Zion Bishan Bible-Presbyterian church today. Our residents were certainly delighted to be able to engage in this music and movement-themed session. The combination of music and movement definitely served as a booster for our residents' morale and mood. Yummy Old Chang Kee curry puffs were also provided to our residents for tea-break.

Community Partnership

5) Guzheng performance and Hokkien Choir Group from Zion Bishan BP Church (Feb 2023)

The beautiful serene melody of guzheng permeated the air as the talented performers skillfully play out melodious songs. Our residents were awed in delight by this wonderful performance and clapped in synonym with the melody. The Hokkien songs sung further gave a boost to the morale of our residents. A BIG thank you to Zion Bishan Bible-Presbyterian Church Hokkien choir group for their effort in cheering up the day of our residents.

Our residents serenaded by the melody of guzheng

Community Partnership

6) Christmas food sponsor from AG28 Zion Bishan BP Church (Dec 2022)

The celebrative mood was in the air as residents and staff enjoy their delectable bento boxes which comprised of smoked salmon yaki-linguine and sticky fried chicken with Korean honey butter glaze. Our great appreciation to friends of AG28 of Zion Bishan BP Church for their generosity in sponsoring these festive bento boxes for all our residents and caregiving staff. Our residents and staff certainly felt blessed during Christmas by your act of generosity.

Our residents enjoying the Christmas bento box

7) Christmas Carolling & food sponsor from AG23 Zion Bishan BP Church (Dec 2022)

On the eve of Christmas 2022, we were very thankful to the choir group from Zion Bishan Bible-Presbyterian Church for sharing the spirit of Christmas through carolling to our residents. In addition, our appreciation to Kok Hong and members of AG23 for sponsoring us a Christmas meal! We also celebrated the Nov/Dec birthdays of our caregiving staff with a breakfast set meal from McDonalds! Lastly, we were grateful to Pastor Alby for his continuous support and for making this carolling and birthday session possible.

Christmas Carol

by our residents

Community Partnership

8) Christmas event with Pamela and friends (Dec 2022)

Our residents were involved in a series of fun-filled activities to celebrate the joyous arrival of Christmas via ZOOM with Pamela and her group of friends. Boisterous laughter and loud clapping filled the atmosphere as residents happily participated in the activity. Our residents also got to enjoy yummy-licious madeleines and fruit tartlets for their tea break.

Pamela and friends on Zoom

Our residents enjoying the performance

9) Students from SAOTSC (Dec 2022)

Students from Singapore Association of Occupational Therapists Students' Committee (SAOTSC) had an early mini-Christmas celebration with some of our residents. We were grateful to them for executing the thoughtfully curated carnival games and sing-along sessions. The students were indeed very friendly and attentive when interacting with our residents.

The group of lovely students from SAOTSC

Our residents enjoying one of the carnival games

Community Partnership

10) Purple Parade (Oct 2022)

2022 marked the 10th anniversary of The Purple Parade, which promotes awareness and celebrate the abilities of Persons with Disabilities. Though we were not physically present in the Parade, our residents rallied together in Bishan Home to express their celebratory spirit for this meaningful event. We did a short video featuring Bishan Home's support for The Purple Parade 2022 and posted it on our Facebook.

Our residents holding up handcrafted signs in support of The Purple Parade

11) Volunteers from Ministry of Manpower (Oct 2022)

It has been a long while since we have corporate volunteer groups due to the COVID situation. We were happy to welcome a group of officers from the Assurance, Care and Engagement (ACE) Group, c/o PRP Bartley District, Regional East Command, Ministry of Manpower. ART were administered for all volunteers prior to the start of the activities.

Boisterous laughter filled our multi-purpose hall as these volunteers tried their best to engage fun activities with our residents. We were deeply appreciative that they volunteered their precious time at Bishan Home. Their presence had certainly made a difference in the day of our residents.

Community Partnership

12) Wall mural (Sep 2022)

The cheerfully bright and warm-hearted mural certainly perked up the mood of those who walked past. Kudos to the pair of volunteers for exhibiting their talents for a good cause. We were truly heartened by their dedicated effort over the past few months, to complete this beautiful mural. The revamped mural also signifies an optimistic refreshing start for Bishan Home from the period of pandemic restrictions.

The lovely and brightly completed mural

The pair of talented and dedicated volunteers posing in front of their creation

13) Horse grooming sessions at Riding for the Disabled Association (RDA) (9 sessions)

As Singapore is pivoting towards new normality, our residents were very blessed to have the opportunity to participate in their first official outing after almost 2.5 years of hiatus. The boisterous laughter filled the atmosphere as our residents interacted with the horses in Riding for the Disabled Association (RDA). We were also very thankful to the Riding for the Disabled Association (RDA) for their continuous support over the past years.

Our residents being introduced to one of the horses at RDA

Our resident grooming the horse

Community Partnership

14) Art sales at City on a Hill (15 May 2022)

We were honored to be given a rare opportunity to have a space at City on a Hill (King Albert Park Mall) to showcase and sell our residents' artwork to the general public (with proceeds going back to the respective residents). For this event, a handful of our residents' artworks were handpicked from a pool of our talented residents at Bishan Home.

We were very touched by the overwhelming support garnered from the public and the Bishan Home community; orders for artwork started flooding in once the event was announced on Bishan Home's Facebook page. Most of the artwork were sold before the actual event.

This experience not only encouraged our residents to produce more artwork but also gave them the confidence to do so and increased their self-esteem. Much time and effort was put into the preparation phase and it was indeed a fruitful and meaningful experience.

Poster of the event

Artworks created by our talented residents being displayed for sales

Community Partnership

15) Food Sponsorship

“Food is symbolic of love when words are inadequate.” – Alan D. Wolfelt

Each sponsored meal represents a comforting embrace, a gesture of kindness that goes beyond the plate. The nourishment from the meal isn't just about sustenance; it's about showing our residents that they are cared for, valued, and supported by a community that believes in their journey toward healing.

As Singapore transitioned back to normality, the gradual increase in receiving more meal donations is evident. In FY 22/23, there is a total of 142 meal donations which is almost double what was received in the previous financial year. It is certainly an optimistic sign that the spirit of generosity is regaining its momentum in the community.

For FY22/23, we have a total of 142 food sponsorship. Food sponsorship included bento boxes, burgers, noodles, cakes and even salmon rice bowls.

STATEMENT BY THE BOARD OF DIRECTORS

In the opinion of the Board of Directors of Bishan Home for The Intellectually Disabled (the "Home"),

- (a) the accompanying financial statement of the Home are drawn up in accordance with the provisions of the Societies Act 1966 (the "Societies Act"), the Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations") and Financial Reporting Standards (the "FRSs") in Singapore so as to present fairly, in all material respects, the state of affairs of the Home as at 31 March 2023 and the results, change in funds and cash flows of the Home for the financial year ended on that date; and
- (b) at the date of this statement, there are reasonable grounds to believe that the Home will be able to pay its debts as and when they fall due.

On behalf of the Board of Directors,

LAU WAH MING
Honorary Chairman

POH LYE HENG
Honorary Treasurer

Singapore, **18 SEP 2023**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
BISHAN HOME FOR THE INTELLECTUALLY DISABLED (UEN: T07SS0102D)**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Bishan Home for the Intellectually Disabled (the "Home"), which comprise the statement of financial position of the Home as at 31 March 2023, the statement of profit or loss and other comprehensive income, statement of changes in funds and statement of cash flows of the Home for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act 1966 (the "Societies Act"), the Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations") and Financial Reporting Standards in Singapore ("FRSs") so as to present fairly, in all material respects, the state of affairs of the Home as at 31 March 2023 and the results, changes in funds and cash flows of the Home for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Home in accordance with the Accounting and Corporate Regulatory Authority (ACRA) *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises Statement by the Board of Directors set out on page 1 and general information, but does not include the financial statements and our auditor's report thereon. The Annual Report of the Home is expected to be made available to us after the date of this independent auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we read the Home's Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions in accordance with SSAs.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
BISHAN HOME FOR THE INTELLECTUALLY DISABLED (UEN: T07SS0102D)**
(Continued)

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of financial statements in accordance with the provisions of the Societies Act, Charities Act and Regulations and FRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Home's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Home or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Home's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Home's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
BISHAN HOME FOR THE INTELLECTUALLY DISABLED (UEN: T07SS0102D)**
(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Home's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Home to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required to be kept by the Home have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the financial year:

- (a) the Home has not used the donation monies in accordance with the objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) the Home has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. GENERAL

Bishan Home for the Intellectually Disabled (the “Home”) is registered under the Societies Act 1966 and Charities Act 1994. The Home has been registered as a charity under the Charities Act 1994, with effect since 1 August 2007. The Home has been granted the Institution of a Public Character (IPC) status until 30 June 2024.

The principal activities of the Home are to provide a place of residence and care for the intellectually disabled.

The registered office and principal place of operations of the Home is located at 6 Bishan Street 13, Singapore 579798.

The financial statements of the Home are presented in Singapore dollar (SGD or S\$).

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The financial statements of the Home have been prepared in accordance with the historical cost convention, except as disclosed in the accounting policies below, and are drawn up in accordance with the Singapore Financial Reporting Standards (“FRS”). They are in compliance with the provision of the Societies Act 1966 and the Charities Act 1994.

In the current financial year, the Home has adopted all the new and revised FRS and Interpretations of FRS (“INT FRS”) that are relevant to its operations and effective for the annual periods beginning on or after 1 April 2022. The adoptions of these new/revised FRSs and INT FRSs have no material effect on the financial statements.

b) Significant Accounting Estimates and Judgements

Estimates and assumptions concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the Home’s accounting policies, reported amounts of assets, liabilities, income and expense and disclosures made. They are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

b) Significant Accounting Estimates and Judgements (Continued)

The critical accounting estimates and assumptions used and areas involving a high degree of judgement are described below.

Critical assumptions used and accounting estimates in applying accounting policies

Useful lives of property, plant and equipment and right-of-use assets

As described in Note 2(d), the Home reviews the estimated useful lives of property, plant and equipment and right-of-use assets at the end of each annual reporting period. The estimated useful lives reflect the management's estimation of the periods that the Home intends to derive future economic benefits from the use of the Home's property, plant and equipment and right-of-use asset. Changes in the expected level of usage and technological development could impact the economic useful lives and the residual values of these assets. Therefore, future depreciation charges could be revised.

The carrying amounts of property, plant and equipment and right-of-use assets at the end of the reporting period are disclosed in Note 3 and Note 4 respectively to the financial statements.

Critical judgements made in applying accounting policies

In the process of applying the entity's accounting policies, management had made the following judgements that have the most significant effect on the amounts recognised in the financial statements.

Impairment of property, plant and equipment and right-of-use assets

The Home assesses annually whether property, plant and equipment and right-of-use assets have any indication of impairment in accordance with the accounting policy. The recoverable amounts of property, plant and equipment and right-of-use assets have been determined based on value-in-use calculations. These calculations require the use of judgement and estimates.

Allowance for expected credit losses on financial assets at amortised costs

The Home assesses the expected credit losses associated with its financial assets carried at amortised cost on a forward looking basis. The methodology applied depends on whether there had been a significant increase in credit risk. The Home considers significant increase in credit risk as a material deterioration on the counterparty's rating and the counterparty is unlikely to pay its obligations to the Home in full.

The assessment of the correlation between historical observed default rates, forecast economic conditions and expected credit losses (ECLs) is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Home's historical credit loss experience and forecast of economic conditions may also not be representative of actual default in the future.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Home and the cost of the item can be measured reliably.

Subsequent to initial recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is calculated on a straight-line method so as to write off the costs over the estimated useful lives of property, plant and equipment as follows: -

| | |
|------------------------|--------------|
| Leasehold property | 30 years |
| Motor vehicles | 10 years |
| Computers | 3 years |
| Equipment | 5 years |
| Furniture and fittings | 5 – 10 years |
| Renovation | 10 years |
| Herbs and spice garden | 5 years |

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

d) Impairment of Non-Financial Assets

The Home assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any indication exists, or when an annual impairment assessment for an asset is required, the Home makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

d) Impairment of Non-Financial Assets (Continued)

Impairment losses are recognised in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss.

e) Financial Instruments

i) Financial Assets

Initial recognition and measurement

Financial assets are recognised on the statement of financial position when, and only when, the Home becomes a party to the contractual provisions of the financial instrument.

At initial recognition, the Home measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

Programme fee and other receivables are measured at the amount of consideration to which the Home expects to be entitled in exchange for transferring promised goods and services to a customer, excluding amount collected on behalf of third party, if the receivables do not contain a significant financing component at initial recognition.

Subsequent measurement

Subsequent measurement of debt instrument depends on the financial asset's contractual cash flow characteristics and the Home's operation model for managing them. The Home only has debt instruments at amortised cost.

Amortised cost

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains or losses are recognised in profit or loss when the assets are derecognised or impaired, and through the amortisation process.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

e) Financial Instruments (Continued)

i) Financial Assets (Continued)

Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received is recognised in profit or loss.

ii) Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised on the statement of financial position when, and only when, the Home becomes a party to the contractual provisions of the financial instrument. The Home determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value, plus in the case of financial liabilities not at FVPL, directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

f) Impairment of Financial Assets

The Home recognises an allowance for expected credit losses (ECL) for all debt instruments and financial guarantee contracts not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Home expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held of other credit enhancement that are integral to the contractual term.

BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

f) Impairment of Financial Assets (Continued)

Financial assets carried at amortised cost

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-months ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For programme fee and other receivables, the Home applies a simplified approach in calculating ECLs. Therefore, the Home does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at the end of each reporting period. The Home has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Home considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Home may also consider a financial asset to be in default when internal or external information indicates that the Home is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Home. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

g) Cash and Cash Equivalents

Cash and cash equivalents are defined as cash in hand, cash at bank and short-term fixed deposits which form part of the Home's cash management that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

h) Funds

The Home maintains both unrestricted and restricted funds.

Unrestricted funds are expendable at the discretion of the directors in furtherance of the Home's objects. If part of an unrestricted fund is earmarked for a particular object it may be designated as a separate fund. While the designation has an administrative purpose, it does not legally restrict the directors's discretion to apply the funds.

Restricted funds are subject to specific trust, which may be declared by the donor(s) or with their authority (e.g. in a public appeal) or created through legal process, but still maintain the wider objects of the Home.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Revenue Recognition

Revenue is measured based on the consideration to which the Home expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Home satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Revenue is recognised on the following basis:-

- (i) Income from programme fee which include the programme provided to residents, net of government subsidy, is recognised over time upon rendering of services.
- (ii) Donations are recognised when monies are received, except for committed donations that are recorded when there is certainty over the amount committed by the donors and over the timing of the receipt of the donations.
- (iii) Recurrent funds are taken up on accrual basis. Based on the funding principles, accruals are accounted for any over/under funding payable to/from the Government.
- (iv) Interest income is recognised using the effective interest method.

j) Government Grant

Grants for the purchase of depreciable assets are taken to the deferred capital grant account at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. The deferred capital grant is recognised in profit or loss over the period necessary to match the depreciation of the assets purchased with the related grant. Grants for operating expenses are recognised in profit or loss over the period necessary to match them on a systematic basis to the costs that it was intended to compensate.

k) Key Management Personnel

Key management personnel of the Home are those persons having authority and responsibility for planning, directing and controlling the activities of the Home. The members of the Board of Directors, Head of Home, matron and accountant are considered as key management personnel.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

l) Employee Benefits

Defined Contribution Plans

As required by law, the Home makes contributions to the state pension scheme, the Central Provident Fund (CPF). CPF contributions are recognised as compensation expense in the same period as the employment that gives rise to the contribution.

Employee Leave Entitlement

Employee entitlement to annual leave is recognised when it accrues to employees. An accrual is made for the estimated liability for leave as a result of services rendered by employees up to the end of the reporting period.

m) Foreign Currency

Functional and presentation currency

Items included in the financial statements of the Home are measured using the currency of the primary economic environment in which the Home operates (“functional currency”). The financial statements of the Home are presented in Singapore dollar, which is the Home’s functional currency.

Transactions and balances

Transactions in foreign currencies are measured and recorded in Singapore dollar at the exchange rate in effect at the date of transactions. At the end of each reporting period, recorded foreign currency monetary items are adjusted to reflect the rate at the end of the reporting period. All realised and unrealised differences are taken to profit or loss.

n) Provisions

Provisions are recognised when the Home has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

o) Contingencies

A contingent liability is:-

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Home; or
- (b) a present obligation that arises from past events but is not recognised because:
 - i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Home.

Contingent liabilities and assets are not recognised on the statement of financial position of the Home.

p) Leases

The Home assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As lessee

The Home applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Home recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

Right-of-use assets

The Home recognises right-of-use asset at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use asset are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

**BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)**

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

p) **Leases (Continued)**

As lessee (Continued)

Right-of-use assets (Continued)

If ownership of the leased asset transfers to the Home at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2(d).

Lease liabilities

At the commencement date of the lease, the Home recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Home and payments of penalties for terminating the lease, if the lease term reflects the Home exercising the option for terminating the lease, if the lease term reflects the Home exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

5. PROGRAMME FEES IN ARREARS (Continued)

| | 2023 S\$ | 2022 S\$ |
|----------------------------------------------------------|---------------|---------------|
| <u>Movements of allowance for expected credit losses</u> | | |
| Balance at beginning of year | 80,204 | 91,535 |
| Charge for the year | 15,396 | 14,976 |
| Write-back during the year | (6,913) | (4,170) |
| Written off during the year | (6,668) | (22,137) |
| Balance at end of year | <u>82,019</u> | <u>80,204</u> |

Programme fees receivables are generally on a 30 (2022: 30) days credit term. They are billed on a monthly basis and recognised at their original invoiced amounts which represent their fair value on initial recognition.

The Home does not charge any interest, unless otherwise stated. Programme fees in arrears include an amount of S\$3,454 (2022: S\$1,186) which is past due at the end of the reporting period but not impaired.

The table below is an aging analysis of programme fees in arrears as at the end of the reporting period:-

| | Gross 2023 S\$ | Allowance for credit losses 2023 S\$ | Gross 2022 S\$ | Allowance for credit losses 2022 S\$ |
|-----------------|----------------------|-----------------------------------------------|----------------------|-----------------------------------------------|
| Not past due | 6,210 | (4,195) | 5,735 | (3,060) |
| Past due: - | | | | |
| - 1 to 30 days | 4,085 | (3,811) | 3,938 | (3,330) |
| - 31 to 60 days | 3,290 | (2,970) | 2,440 | (2,440) |
| - Over 60 days | 73,903 | (71,043) | 71,952 | (71,374) |
| | <u>81,278</u> | <u>(77,824)</u> | <u>78,330</u> | <u>(77,144)</u> |
| | <u>87,488</u> | <u>(82,019)</u> | <u>84,065</u> | <u>(80,204)</u> |

Restricted Funds

a) Sinking Fund

The sinking fund is a designated fund set aside by the Home to finance major repair activities of the Home as and when necessary.

b) Deferred Capital Donation

Deferred capital donation was set up for the purpose of funding the Home's leasehold property and equipment through donations received from donors who have specified the purposes of donations. The amount utilised for the financing of leasehold property and equipment are transferred to deferred capital donation and amortised over the useful lives of the related assets to match the relevant depreciation of these assets.

Depreciation of leasehold property and equipment is accounted for when the assets are available for use. Total depreciation of S\$468,008 (2022: S\$483,211) has been charged to profit or loss to match the relevant amount of amortisation released from the deferred capital donation account during the year.

c) Friends of Dixie Tan Fund

The Friends of Dixie Tan Fund was set up by a group of donors in memory of Dr Dixie Tan (resident's late parent and former member of parliament) to help pay the bills for the needy beneficiaries of the Home. It was intended to generate returns from the principal donated amount so as to increase the sustainability of the fund. The fund amount has been transferred to fixed deposit with a licensed bank in the previous financial year.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

8. TOTAL FUNDS (Continued)

Restricted Funds (Continued)

d) Community Silver Trust Fund

The Community Silver Trust Fund was set up by the government to enhance and expand the services of Social Service Organisations (“SSO’s”) in the intermediate and long-term care sectors. This fund is a dollar-for-dollar donation matching grant from the government to increase the capacity and capabilities of the Home by adding approved equipment, innovative projects and programmes. With effect since financial year 2014, eligible SSO’s are allowed to utilise the CST matching grants for recurrent operating expenses, subject to a threshold that to be determined based on a maximum 40% of eligible donations received in the preceding financial year. The amount received will be amortised to profit or loss in the year as the related expenditure is incurred.

| Balance at end of year | <u>178,940</u> | <u>423,815</u> |

9. LEASE LIABILITIES

The Home as a lessee

The Home has several lease contracts for the rental of apartment flats. The Home’s obligations under these leases are secured by the lessor’s title to the leased assets. The Home is restricted from assigning and subleasing its leased assets. The lease contracts contain options of extension of the lease term.

The Home also has leases of office premises and other events venue with lease terms of 12 months or less and, leases with low value assets. The Home applies the “short-term lease” and “lease of low-value assets” recognition exemptions of these leases.

| - Above S\$50,000 to S\$100,000 | - | 1 |
| | <hr/> | <hr/> |

No compensation was made to any member of the Board of Directors of the Home for both the reporting periods, as their appointments are honorary.

19. COMMITMENT

Commitment contracted for at the end of the reporting period but not recognised in the financial statements is as follows:-

| | 2023 | 2022 |
|-----------------------|-------|--------|
| | S\$ | S\$ |
| Equipment/Maintenance | - | 60,000 |
| | <hr/> | <hr/> |

20. FINANCIAL RISK MANAGEMENT AND OBJECTIVES

The Home does not have written risk management policies and guidelines which set out its tolerance for risk and its general risk management philosophy. To mitigate any financial risk exposures or losses, the Home may adopt the appropriate measures including the use of other financial instruments as and when necessary.

Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Home. These arise principally from cash balances with banks, receivables and other financial assets. The maximum exposure to credit risk is the total of the fair value of the financial assets carried in the statement of financial position at the end of the reporting period.

Credit risk on cash balances with banks is limited as they are placed with reputable financial institutions licenced by the Monetary Authority of Singapore.

Financial assets measured at amortised cost are subject to the expected credit loss model under FRS109. Other than the impaired credit losses, the default risks are considered low and the expected credit losses, if any, are insignificant.

Foreign Currency Risk

The Home is not exposed to foreign currency risk as all of its transactions are denominated in Singapore dollar.

BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

20. FINANCIAL RISK MANAGEMENT AND OBJECTIVES (Continued)

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of the Home's financial instruments will fluctuate because of changes in market interest rates. The Home's interest rate exposure relates primarily to its investment portfolio in fixed deposits which carry fixed interest rates. At the end of the reporting period, the Home is not significantly exposed to interest rate risk.

Sensitivity analysis is not performed as the impact to the financial statements is insignificant.

Liquidity Risk

The Home monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Home's operations and mitigate the effect of any unexpected fluctuations in cash flows.

The table below summarises the maturity profile of the Home's financial liabilities at the end of the reporting period based on contractual undiscounted payments, including interest payments and excluding the impact of netting agreements:-

| | 2023 | | | |
|---------------------------------|------------------------|-------------------------------------------------|-----------------------|-----------------------------------------------|
| | Carrying Amount S\$ | Total Contractual Undiscounted Cash flow S\$ | 1 year or less S\$ | Above 1 year but not more than 5 years S\$ |

BISHAN HOME FOR THE INTELLECTUALLY DISABLED
(UEN: T07SS0102D)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

21. CAPITAL MANAGEMENT AND POLICIES

Capital management and reserve policy

The Home closely monitoring the amount of its reserve to ensure it is sufficient to support programmes and other charitable activities on an on-going basis. The Management constantly assesses its reserve adequately and explores ways to maximise existing resources.

The provision of reserves fund is to ensure the sustainability of the Home's programmes and continuity of services to its beneficiaries in the situation of contingency may it incurs operating deficit in future.

The management uses total accumulated general fund to finance its activities, however excluded other restricted and designated funds as they are specifically funded. The Home's reserve ratio, which is calculated using accumulated general funds over the total annual operating expenditure at the end of the reporting period is shown below:-

| | 2023 S\$ | 2022 S\$ |
|------------------------------|-------------|-------------|
| Accumulated general fund | 13,572,894 | 12,136,972 |
| Annual operating expenditure | 4,576,691 | 4,338,755 |
| Reserve Ratio | 2.97 : 1 | 2.80 : 1 |

The Home's policy is aim to build its reserves to at least one time of its total annual operating expenditure. This conservative policy is necessitated by the need to provide a buffer in the face of anticipated fall in revenue against likely cost increases due to inflationary and/or market pressures. Based on the recent trend, the collection of the resident programme fee is expected to increase within the next few years as the Home is currently operating at virtually full resident capacity and shows improvement in collecting programme fees despite of 98% (2022: 96%) of the Home's residents are aged 40 years and above. Nonetheless, the incoming resources increased during the year due to the increase of government subvention grant as the SG Enable had adjusted and enhanced the subvention level based on the implementation of the Tier – Funding model.

The Board reviews the amount of reserves annually that are required to ensure that they are adequately to fulfill the Home's continuing obligations.

Drawdown on reserves is strictly subject to the approval by the Board of Directors.

The Home reduced its reserve target from three times over total annual operating expenditure than one time as the majority of its funds are restricted to specific programs; unrestricted reserves are only derived from donations given for general use.

Conflict of interest policy

All Board members are required to read and understand the conflict of interest policy in place and make full disclosure of interests, relationships and holding that could potentially result in conflict of interests upon appointment or election of the Board members. When a conflict of interest situation arises, the members will need to declare their potential and real conflict of interests.
